10th June 2025

Dear Parents and Carers,

As part of our commitment to fostering a more sustainable school environment, we are excited to invite families to participate in a community-focused initiative. In **celebration of Father's Day**, we will be hosting a Reception Father's Day Planting Event which will take place in school on **Monday, 16th June**.

Event Details:

- **Base 12: 10:30–11:15 am**
- **Base 2: 1:30–2:15 pm**

This event is open to **one adult per child**—fathers, grandfathers, uncles, brothers etc, are all welcome to join in this special occasion. The activity will involve parents and carers in planting activities, so please be advised that this will be an all-weather outdoor event. We recommend dressing appropriately for the weather conditions.

To assist us in our planning, we kindly ask that you confirm whether an adult will be attending the event. **Please respond by completing the following link** <https://forms.office.com/e/fHSE53MFzu> **by this Thursday, 12th June, at the latest.**

Entrance to the event will be via the green gate leading onto the playground where a member of staff will meet you. We ask that you do not arrive more than a 5-minutes before the start time.

We look forward to celebrating this occasion with you and your child, contributing to both their learning and our shared commitment to sustainability.

Thank you for your continued support.

Yours sincerely,

J. Radusin
