30<sup>th</sup> January 2026

Dear Parents and Carers,

## NSPCC National Number Day 2026

Number Day is the NSPCC's national maths fundraising event. Each year, thousands of schools and nurseries across the UK take part, enjoying fun maths activities while raising money to support the NSPCC.

All children are invited to **come to school on Friday 6<sup>th</sup> February wearing an item of clothing featuring a number** (such as a football shirt, cap, netball top, or even a onesie), or to get creative by dressing in a maths or number theme, for example a spotty top. Please don't feel that you need to buy anything new.

**We will be accepting cash donations on the day** and encourage children to bring in any spare change they can to support the charity. **Alternatively, a minimum donation of £1.00 can be made to the NSPCC via ParentPay.** No amount is too small, and we are grateful for any contribution you are able to make whether it is 10p, 20p or £1.

To celebrate Number Day, a range of activities will take place throughout the school day, so there are no additional expectations on parents or carers in terms of time or resources.

**If your child has PE on this day**, please ensure you send them in suitable footwear as the lesson will take place as normal.

I would like to take this opportunity to thank you in advance for any donations of spare change that you are able to send.

Many thanks for your continued support—it is greatly appreciated.

Kind Regards,

Lynda Stolic  
Headteacher
