28<sup>th</sup> April 2026

Dear Parents / Carers of children in **Year 6**,

## Key Stage Two SATs

I am sure you are aware that the children in **Year 6 begin their end of Key Stage 2 SATs on Monday 11<sup>th</sup> May.**

Please share the timetable below with your child so they know which SATs are taking place on which day.

Tests will **begin at 9:00 am**, following registration at **8:45 am. 100% attendance is required.** If there is any difficulty with this requirement, please contact Mrs.Stolic as soon as possible.

Please allow yourselves an extra 10mins in the morning and ensure children arrive on time so that they do not feel rushed.

**Children should come via their class base, as normal**, and will be given the opportunity to enjoy a complimentary breakfast/snack of a piece of toast and some fruit ahead of their tests.

### SATs Timetable

Monday 11th May 2025	Grammar, Punctuation & Spelling - Paper 1 Grammar, Punctuation & Spelling - Paper 2
Tuesday 12th May 2025	English Reading
Wednesday 13th May 2025	Maths Paper 1 (Arithmetic) Maths Paper 2 (Reasoning)
Thursday 14th May 2025	Maths Paper 3 (Reasoning)

The following additional equipment will be available in school for mathematics: ruler, eraser, angle measurer or protractor, mirror.

The tests provide a standard “snapshot” of attainment at the end of the Key Stage. Results of the tests should be available in school during the month of July.

All tests are marked externally.

In addition to the attached booklet, here are a number of tips that we can offer to the children:

- Breakfast really is the most important meal of the day, especially during SATs week. Brains need energy to perform at their best. A good energy-giving breakfast, such as porridge, will keep the brain fuelled and stop children being distracted by hunger by steadily releasing energy throughout the morning. Children **will also have the offer of a piece of toast and some fruit each morning at school. This offer is optional, and we understand that not all children may wish to receive their complimentary breakfast.**
- Make sure your child gets a good night’s sleep each evening during the SATs week
- If it is hot, make sure your child does not get sun burnt – painful arms and shoulders will not help concentration.
- Listen to any worries or concerns that your child might have – it is a test situation, but we will still be at hand to give any support that we can to make each day as stress free as possible.
- If there is some aspect of English or Maths that they might be unsure of, go over it with them using their booster books.
- Don’t worry – everyone has worked **very hard** - so approach each task calmly.
- Finally, it is most important that they turn up!

### Information Drop-in for Parents and Carers

Miss Watton and Mrs Fryer will be hosting a **parent/carer drop-in session on Wednesday 6th May**, from 3:30pm to 4:30pm in Base 4. This is an opportunity for parents and carers to ask any questions they may have about SATs.

### Crèche Facilities

This session is for parents and carers only. Unfortunately, there will be no crèche available, so please arrange alternative childcare if you plan to attend.

Ultimately, please remember everyone has worked very hard and as long as they have done their best, we are proud of them whatever the outcome.

Yours sincerely,

Lynda Stolic  
Headteacher

# 🌟 SATs DON'T DEFINE YOU 🌟

SATs don't measure sports  
SATs don't measure art,  
SATs don't measure music,  
Or the kindness in your heart.  
SATs don't see your beauty,  
SATs don't know your worth,  
SATs don't see the reasons,  
You were put upon this earth.  
SATs don't see your magic,  
How you make others smile,  
SATs don't time how quickly,  
You can run a mile.

SATs don't hear your laughter,  
Or see you've come this far,  
SATs are just a tiny glimpse,  
Of who you really are.

So sitting at your table,  
With a pencil and your test,  
Remember SATs aren't who you are,  
Remember you're the best!
